

Wine & 9 Classes and Leagues for 2012

Val Halla's most popular women's clinic series ever! We will continue with our beginner level 1 and intermediate level 2 classes. For more description of the lesson plans, please visit our website at www.valhallagolf.com.

New for 2012 is the Wine & 9 League. Run by Linda Bickford and Gwen Hall, the Wine & 9 League will concentrate on playing golf and having fun on the course! At the end of each session, we will join forces with the Val Halla Ladies Twilight League run by Kate Harris and Fran McRay and play a combined event! In August and September, we will offer a Fall League opportunity combined with the VHGA Twilight League.
